

HUTTON CE GRAMMAR SCHOOL AND SIXTH FORM

ONLINE SAFETY POLICY

Context

Hutton Church of England Grammar School and Sixth Form is a non-selective boys Grammar School aged from 11-18 with a mixed Sixth Form.

As a Church school all we do is underpinned by Scripture; we fully recognise the contribution we can make to protect children from harm and to support and promote the welfare of all children who are students at our school. This policy applies to all stakeholders; this includes pupils, staff, parents, governors, volunteers, placement students and visitors.

This policy will give clear direction to all stakeholders about expectations and our legal and moral responsibility to safeguard and promote the welfare of all children at our school. This is embodied in Proverbs 27:23:

‘Be sure you know the condition of your flocks, give careful attention to your herds’

Legal framework

This policy has been drawn up on the basis of legislation, policy and guidance that seeks to protect children in England. Summaries of the key legislation and guidance are available on:

- [online abuse learning.nspcc.org.uk/child-abuse-and-neglect/online-abuse](https://online.abuse.learning.nspcc.org.uk/child-abuse-and-neglect/online-abuse)
- [bullying learning.nspcc.org.uk/child-abuse-and-neglect/bullying](https://bullying.learning.nspcc.org.uk/child-abuse-and-neglect/bullying)
- [child protection learning.nspcc.org.uk/child-protection-system](https://child.protection.learning.nspcc.org.uk/child-protection-system)

We believe that:

- children and young people should never experience abuse of any kind
- children should be able to use the internet for education and personal development, but safeguards need to be in place to ensure they are kept safe at all times.

We recognise that:

- the online world provides everyone with many opportunities; however it can also present risks and challenges
- we have a duty to ensure that all children, young people and adults involved in our organisation are protected from potential harm online
- we have a responsibility to help keep children and young people safe online, whether or not they are using [name of organisation]'s network and devices
- all children, regardless of age, disability, gender reassignment, race, religion or belief, sex or sexual orientation, have the right to equal protection from all types of harm or abuse
- working in partnership with children, young people, their parents, carers and other agencies is essential in promoting young people's welfare and in helping young people to be responsible in their approach to online safety.

We will seek to keep children and young people safe by:

- appointing an online safety coordinator: Mr. N. Hulme
- providing clear and specific directions to staff and volunteers on how to behave online through our behaviour code for adults
- supporting and encouraging the young people using our service to use the internet, social media and mobile phones in a way that keeps them safe and shows respect for others
- supporting and encouraging parents and carers to do what they can to keep their children safe online
- developing an online safety agreement for use with young people and their parents/carers
- developing clear and robust procedures to enable us to respond appropriately to any incidents of inappropriate online behaviour, whether by an adult or a child/young person
